

## Texas Aquatic Plant Management Society – 2021 Conference Call for Student Papers

**Students are invited to submit an abstract for the 2021 TAPMS Annual Conference!**

For more information on the conference: <https://www.tapms.org>

**Conference Location:** Stella Hotel, Bryan, Texas

**Conference Dates:** November 15-17, 2021

**About TAPMS:** Our focus is on aquatic vegetation management and preservation of natural aquatic environments, including control of aquatic invasive plants, conservation and propagation of native aquatic plants, and effects of aquatic plant management on habitat quality for other species. The TAPMS offers a unique opportunity to network with scientists in private industry, academia, and state and local agencies as well as other students with similar career interests.

**Submit an Abstract: Abstract submission deadline is September 17, 2021**, but early submissions are preferred. For more information and to submit an abstract, visit:

<https://www.tapms.org/abstract-submission>

**Presentation Types & Topics:** Oral student presentations for original research on all aspects of aquatic resource management are welcomed, including:

- Biology of aquatic plants
- Ecology of aquatic habitats
- Effects of aquatic habitats and aquatic plant management on fish and wildlife
- Biological and chemical control of aquatic plants
- Management and restoration of aquatic, wetland, and riparian ecosystems

### **Benefits:**

- ✓ Presentation experience
- ✓ Free TAPMS student membership
- ✓ Complimentary conference registration (includes most meals)
- ✓ Networking among professionals
- ✓ Full student travel reimbursement (i.e., mileage or flights, hotel, any meals not included with registration), courtesy of the Aquatic Ecosystem Research Foundation ([www.aquatics.org](http://www.aquatics.org))
